CONGRATULATIONS

Marry your eternal commitment,
with eternal memories

We congratulate you on your engagement and progressing toward your future life together as husband and wife.

We hope you allow us to share in your special moment by providing you with the best of our services.

The following pages seek to reveal what makes Zuriel Media the ideal option for capturing the very essence of your very special day.

Our promise to you

From the moment of booking us, we promise you will receive professional quality service and media required to make reliving your wedding day a complete success.

Zuriel Media

Founded in 2005, Zuriel Media remains independently owned and committed to maintaining our reputation for delivering the very best in service and media production.

The best day of your life deserves the best of our service

CAPTURING YOUR DREAM

Marriage is an eye-opener, Make yours jaw dropping

Every wedding is different unique, and special in its own way. It brings together family and friends, attracts happiness, joy and support. It also leaves a lasting effect on those who attend.

With Zuriel Media try our best to capture every magical moment of your day, in a way that suits you, your taste and your budget.

A Bespoke Wedding Video Package just for YOU.....

A starting point consists of recording the wedding at chosen Church or venue and the Photography Session afterward.

Go onto addition to recording the reception up to the speeches.

Take on the max and includes extra video coverage

contains all the above with guest interviews and additional recordings, such as the preparation of the bride.

Your Wedding day, Your Marriage, Your Media.

MAKING IT MAGICAL

On the journey of life, Know that you are no longer walking alone

With Zuriel Media, the structure of your wedding video lies with you. After all, it is your day.

We endeavour to provide you with the best service that we can offer you for making your wedding DVD as personal as possible.

When you book us we come and discuss at a time and place that suits you most to discuss at what best you would like your wedding media to be like, whether you want to incorporate a special floral theme you love, or want to have specific soundtracks, graphics or special effects, it can be made possible with our new and ever growing library of resources.

Zuriel Media can provide a capacity of up to five cameras to film your special occasions.

Our experienced film and video editing team aim for nothing more than perfection and acute attention to detail.

Once everything has been planned and set, we come to visit you before the wedding and with your permission, attend any rehearsals to plan our setups to guarantee we can obtain maximum coverage with absolute discretion.

If you have ideas for how you would like your day to be recorded we are happy to oblige and workout a streamlined workflow for your wedding day.

MAKING IT LAST FOREVER

Enjoy your Life together

Once your wedding day winds down and you head off to enjoy your honeymoon, our team gets to work on editing, structuring and producing your wedding media.

This labour intensive task can take up an average of two weeks minimum.

(Depending on the amount of cameras that have been used)

It is here where the videos, photography, photo montages, menus, soundtracks and effects are all pieced together and tested before they're burnt onto DVD's or high definition Blu-rays and re-test- ed in preparation for your return.

Your Wedding discs can also come in variation of **luxurious cases to add to the prestige of your special occasion**. From white velvet to jet black, walnut brown wood or metal cases, we can provide the means to make your wedding media as unique as your day.

In the unfortunate event that your discs are damaged, we can provide you with a free replacement, this is made possible through our 10 years archive system.

Your media is always safe with Zuriel Media.

Its the little things that can make a big difference

TESTIMONIALS

“Dear Brian,

Our Wedding 19th August 2006,
Just to say thank you very much for all of your help on our special day. You are a true professional and a true gentleman.....

P.S. We are so glad that we chose you,

Thank you..

Jane & Gary Nesbit

“Professional, creative and affordable, are the three words I’d describe Zuriel media,

Loved my wedding DVD.

A lot of creativity and nice camera angles, like reliving the moment, would recommend to anyone looking for Videographer for any occasion.”

Many thanks

Mr & Mrs Laing

ABOUT ZURIEL MEDIA

About Zuriel Media

The meaning of the name Zuriel

Rock of God, chief of the family of the Merarites (Num. 3:35) at the time of the Exodus.

About Zuriel Media

Zuriel Media was founded in 2005, By Brian Phillips.

From humble beginnings, recording weddings and celebrations of many kinds, We are ever seeking to break into new markets and avenues in the **media field**.

Our ultimate aim is to produce feature films, working with scriptwriters and directors from Christian backgrounds with the view to produce **Chris- tian Media that will deeply impact peoples lives through the films and** dramas that are produced through the assistance of us here at Zuriel Media.

MEET THE TEAM

Brian Phillips CEO

Reiss Kelly Alder

Zoe' Reid

Brian Phillips

Brian Phillips, the CEO of - Sound Vision Video has over 30 years experience in media production.

His earliest interest in the field of media started at the age of 9 years old, having been given an 8mm Cine Camera, using real film. He started filming with his siblings weddings, until recently having recording events, weddings, with linear camera and editing equipment.

He has since come into the digital age, capturing video with High Definition cameras and Digital Editing Suites .

We Use Avid Media Composer Adobe After Effects Toon Boom and Cinema 4d. 4k video +

He now enjoys producing creative, Industry standard and professional media for weddings, celebrations, corporate events and media for broadcast.

Zoe Reid

Zoe Reid is the most recent addition to the Zuriel Media team bringing her skills in Graphic design, and Illustrator, Artist.

In training for 3D modelling and 2D Art, with an interest in video, graphic design, cover design and animation work .

Zoe is inputting her skills in editing most of our media for Zuriel Media. We have seen that Zoe is multi skilled and talented in media.

Zoe will be our TV and Programme Presenter and camera crew member Zoe is also an illustrator and artist in her own right. We welcome Zoe into Zuriel Media and look forward to her skilled input and talents into the media we produce which will take us to a new level of excellence.

Reiss Kelly-Alder

Reiss is the most recent addition to the Zuriel Media team.

As a Jack-of-most-trades with his head in the clouds, he has obtained the opportunity to work in media production, bringing his skills in Graphic design, 3D modelling and 2D Art, with an interest in video, photography, narratives for Christian media to the table.

He is being trained to operate cameras to obtain the best results possible from any project he is thrown into the heat of. He is also a co-video editor and, when needed, does still photography.

During his studies he has learnt much about media, Film and video games in particular, and plans to use what he has learnt with Zuriel media and personal projects

He is will be trained to work on the most up to date Avid Creative Suites **combined his proficiency in the Adobe suite.**

THANK YOU FOR YOUR TIME

We appreciate the time and effort you have taken out to find out how **Zuriel Media** may be able to help you make a decision to whether we can help you capture
